NWIIWA END-OF-YEAR NEWSLETTER

Interested in Hosting a Network & Chill in 2024?

One of NWIIWA's most unique opportunities for Premier Corporate Members is to be a presenting host of a 2024 Network & Chill event. It's a great way to promote your brand and open your doors to new business connections. Being a host is totally free - but there are only four available dates for 2024, so please let us know if you're interested soon.

The co-chairs of NWIIWA's Networking subcommittee are Tamera Lienhart from bp Whiting Refinery and Sonia Georgeff from A&M Mortgage Group. They'll be available to help your company facilitate a Network & Chill event.

NWIIWA will take care of all the details, like marketing, invitations, registration, ideas for networking games, set up, and more. Your brand will also be included across all promotional materials. Presenting hosts are only responsible for light refreshments, door prizes for game winners, and the selection of location.

Presenting hosts will be able to invite NWIIWA members to their business or their chosen gathering place. Any number of people from your organization can attend, and you'll be able to describe your company and share promo items.

Interested? Sign up today for more information and available dates!
